(PLEASE COMPLETE IN BLOCK CAPITALS).

Title of paper

Name of school

Address

Postcode

E-mail address (to be used to send confirmation of receipt of entry)

Staff contact

Age of students producing the paper

Number of students involved

Is this the school's first entry to this event (or first for three years)?

I have read the entry requirements and certify that the papers submitted represent solely the work of the students, other than staff of the school working with the students in a teaching capacity. The papers are a copy of the product available at the end of the day's activity in school.
